

BUILDING IN FAITH

for Future Generations
CAPITAL CAMPAIGN

**PLEASE JOIN US for the *Building in Faith for Future Generations*
Capital Campaign Parish Informational meeting**

Thursday, September 8, 2022 | 7 p.m. | Parish Life Center (PLC)

Join parish and school leaders to hear about the vision for the proposed parish master facilities plan. Additionally, parish and school leaders will join with the *Building in Faith for Future Generations* campaign leadership, and experts who designed the campaign, to hear about our campaign projects and have your questions answered.

Snacks and beverages will be provided. Please consider spending an evening with fellow parishioners from the parish—church, school and religious education, school alumni—to preview proposed plans for the next generation at St. Pet's.
