

**SPECIAL EDITION**

March 4, 2021

Dear Parishioners and Visitors to Saint Petronille,

As you know, the large Apex development on the East end of our parish property is well underway. We have received notification of some construction which will make it necessary to change some of our traffic habits for the foreseeable future.

**Beginning Monday, March 8<sup>th</sup>** and continuing for 50 days, between **7 am and 4 pm weekdays** large trucks will be coming up Duane street east of Main street and Main Street south of Hill.

**Avoid the intersections:** Main and Duane and Main and Hillside.

**From Main Street South,** take Phillips to Glenwood.

**From Main Street North,** take Pennsylvania to Prospect to Duane to Glenwood.

Please notice that there will be **no parking on Glenwood between Phillips and Hillside on weekdays.** When you come for daily Mass you will need to park in the main parish parking lot.

Please notice that these restrictions do not apply on Sunday mornings.

Thank you for your kind attention, patience and understanding. Special thanks to Chief Norton, the Village of Glen Ellyn and our dedicated parish team for their attentiveness and hard work in this regard.

Prayers.

In Christ,

Fr. Thomas Milota
