

Dear Parishioners of Saint Petronille,

Christmas Masses

A reservation is required for Christmas Masses and most of our Masses are now full; however, we will be distributing communion from the main office window in the North Parking lot after all of the Masses on Christmas Eve and Christmas Day. We originally stated there would be a tent; however, it will be from the window at the main entrance to the parish offices near the North Parking lot. Please notice that to get communion, you will need to park your car and walk up to the window. There will be signs.

Saint Pets Aid to Families

Your help is very much needed to fill the bags for the St. Pets Aid to Families this week. Please drop off an item or two from the SUG at 271 Forest Avenue, GE. Laundry soap and all shelf-stable food are needed. December 18th is the last day to donate before Christmas. Thank you for your kindness in sharing so generously throughout the pandemic.

My situation

As you know, I am presently quarantining and will be tested tomorrow and Thursday. Right now, I have no symptoms and I have exposed **no one** at the parish to the virus. I hope to be back if I get two negative Covid-19 tests and after 10 days of quarantine which is recommended by the Centers for Disease Control. I continue to respond to email and phone messages as well as monitor activity at the parish. Thanks to everyone for your prayers.

May Almighty God bless you and keep you.

Prayers.

In Christ,

Fr. Thomas Milota
