Congress Information:

The National Eucharistic Congress programming includes general sessions, morning impact sessions, and breakouts, featuring the best of today's Catholic speakers and theologians. Most importantly, this Congress will provide a one-of-a-kind encounter with Jesus Christ and the Church through the Sacraments. Mass will be celebrated daily and there will also be daily opportunities for confession.

There will be a lot of walking. The main Congress venues cover a 1- to 2-mile radius. Parking lots are located throughout the downtown area. Shuttles will be available only for those who identify ADA needs during their registration and park in the designated ADA lots.

Concessions will be available for purchase at both Lucas Oil Stadium and the Indiana Convention Center during mealtimes. A variety of food trucks will be present in the surrounding area with food available for purchase. Downtown Indianapolis has an abundance of restaurant options with a wide range of prices.
